Your Free Application for Federal Student Aid (FAFSA) has been flagged for "Unusual Enrollment History Review" by the U.S. Department of Education because you have prior receipt of, in addition to a Federal Pell Grant, a Federal Direct Loan at multiple education institutions during the review period – 2019-2020, 2020 -2021, 2021-2022, and 2022-2023. This flag requires Enterprise State Community College to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, Enterprise State Community College will check the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the dates of attendance. If you have questions, contact us promptly so your financial aid will not be delayed.

**Colleges or Universities attended: Please list all institutions (including Enterprise State Community College) attended during the academic periods that include 2019-2020, 2020-2021, 2021-2022, and 2022-2023.**

Name of College or University	Dates of Attendance	Types of Aid Received (Pell Grant, Loans, etc.)

There must be an official academic transcript for each of the prior schools listed (excluding Enterprise State Community College) on file. Also, for each college listed, please provide a written or typed explanation if you failed to earn at least one passing grade during any term of enrollment (including ESCC). Failure to include such an explanation will result in this form being incomplete, therefore not considered. Submit any additional documentation (i.e. medical bills, hospitalization records, accident reports, etc.) that supports your reason for withdrawal/unsatisfactory grades. Please make sure to include your ESCC student number at the top of each page of documents you upload.
