

ESCC Associate Degree Nursing Program Outcomes

1. Performance on Licensure Exam

Graduates as a composite of first-time writers, shall achieve no less than eighty percent (80%) pass rate on board selected national licensure exam as defined by the Alabama Board of Nursing. The program's most recent annual licensure examination pass rate will be at least 80% for all first-time test-takers during the same 12-month period as defined by the Accreditation Commission for Education in Nursing (ACEN).

2. Program Completion

At least 30% of students admitted will graduate on time for ADN program options.

At least 40% of students will graduate in 150% of the time of the stated program length beginning with the first required nursing course, as delineated below:

ADN Mobility (Admitted into 211)- Three Semesters
ADN Mobility (Admitted into 209) -Four semesters
Traditional ADN (Admitted into NUR112)- Seven Semesters

3. Job Placement

At least 90% of the graduates will report employment as an associate degree nurse within 12 months of program graduation.

4. Graduate and Employer Surveys

Graduate and employer surveys are not mandated. Programs may continue to use the surveys as additional tools for assessing and evaluating program outcomes.
