Admission Policy for Traditional ADN Program

MINIMUM ADMISSION REQUIREMENTS

1. Unconditional admission to the college, Enterprise State Community College.
2. Receipt of completed application for the ADN Nursing Program by posted deadline.
3. A minimum of **2.50 GPA** for any attempted nursing core academic pre-requite/ co-reqequisite courses with a grade of "C" or higher — **ENG 101, MTH 100, BIO 201, BIO 202, SPH 106/107, PSY 210, BIO 220**, and a humanities elective from a regionally accredited institution.
4. Cumulative GPA must be a minimum of **2.0** at ESCC or the most recent transferring institution.
5. Eligibility is required for English Composition I (ENG 101) and Intermediate College Algebra (MTH 100) during the first semester, if not previously taken.
6. Good standing with the college.
7. Meeting the essential functions required for nursing with and without reasonable accommodations.
8. Completion of the ATI Test of Essential Academic Skills (TEAS ®) taken within **three** years of the application deadline.
9. The student's level of professionalism, prior enrollment history, and any history of disciplinary issues of concern will be taken into consideration.

Admission to the Associate Degree Nursing Program is competitive, and the number of students is limited by the number of faculty and clinical facilities available. **Meeting minimal requirements does not guarantee acceptance.**

A required minimum course grade of "C" for any attempted nursing and core academic pre-requisite/ co-requisite courses.
