Authorization for Release of Records

According to the Family Educational Rights and Privacy Act of 1974 (FERPA), all rights of access to students' educational records transfers from the parent(s) to the student when the students become 18 years of age OR are enrolled in an institution of postsecondary education. In order to comply with the requirements of FERPA, Enterprise State Community College shall obtain written consent from students before disclosing any personally identifiable information from his/her educational records.

As a participant of the Accelerated Credit and/or Dual Enrollment for Dual Credit program, I understand that it is the responsibility of Enterprise State Community College to release my grades to my high school and/or secondary educational entity. My signature below authorizes the College to release the information noted in this section.
