Students who experience non-progression in the nursing program and who desire reinstatement in the program must apply for reinstatement to the program. A student must request reinstatement within one year from the term of non-progression to be eligible for reinstatement. Students dismissed from the program for disciplinary reasons and/or unsafe client care in the clinical area will not be allowed reinstatement to the nursing program.

Reinstatement to the program will be allowed one time only.

Reinstatement to the nursing program is based on space availability and is not guaranteed. Selection for reinstatement is based on GPA in nursing program required courses. Students must adhere to nursing curriculum and program policies and procedures in effect at the time of reinstatement. Reinstatement can be denied due to, but not limited to, any of the following circumstances:

1. Space unavailability;
2. Refusal by clinical agencies to accept the student for clinical experiences;
3. Twelve months have elapsed since the student enrollment in a nursing course.

Criteria for Reinstatement

1. Demonstrate a 2.0 GPA in nursing program required courses **and** overall 2.0 cumulative GPA at current institution. (The academic required courses are ENG 101, MTH 100, PSY 210, SPH 106 or 107, BIO 201 and BIO 202)
2. Student has had no more than one non-progression since program admission.
3. Meet acceptability criteria for placement at clinical agencies for clinical experiences.
4. Demonstrate ability to meet essential functions for nursing with or without reasonable accommodations.
5. Demonstrate current health requirements and CPR at the health care provider level.

I understand that completion of this application does not in itself grant reinstatement to the Nursing Program. A student may be reinstated to the nursing program one time. Priority is given to students requesting reinstatement based on the one-year expiration of reinstatement eligibility and clinical availability. Reinstatement is not guaranteed due to limitations in clinical and/or classroom space. All information must be submitted by the appropriate deadline or the application will be considered incomplete.
