COMMUNITY EDUCATION

Registering Your Child for Camp Weevil

When you register your child for camp, you will be required to create an account **for your child** using an email address. If you already have an account, you may sign in to that one. If the account was made in **your name and not your child's**, do not use this account. Please create a new account in your child's name, using a different email address.

These registrations begin your child's lifelong learner record with Enterprise State Community College, and that is why it is so important that ***each child has an account in his or her name.***

Furthermore, the information that is used to create each account is what will appear on class rosters for the Camp Weevil staff. If you create an account using your name, DOB, etc., **your name** will appear on the class roster(s), **not your child's**. This causes confusion when labeling each child's camp gear.

For this reason, you will be required to create an account for each child and pay separately for each child who you intend to register for camp... using a **different email** for each child. You may use any email address (Gmail, Yahoo, etc.), but you may also use your child's school email.

Keep in mind that all correspondence will be sent to the email address that was used to create the account. If you use your child's school email, please make sure that you or your child can login to the email to check for important Camp Weevil information and updates.

Registration opens on **Wednesday, March 20th at 10 am** and will close on **Friday, May 24th at 4:30 pm**. If you have any questions or concerns, please do not hesitate to call us at (334) 348 - 4902 or send an email to campweevil@esc.edu. We will happily help you in whatever way we can.

Happy Camping,

Ann Kelley-Spence

Camp Weevil Director
